IMPORTANT GOVERNMENT ORDERS

REVENUE SECRETARIAT

Sanctions a modified procedure for the recovery of audit charges from the Local Bodies.

READ—

Government Order No. 5380-400—MI. 163-17-1, dated the 28th March 1918, directing among other things, that one-half of the cost for doing the audit of the accounts of Municipal Councils and Local Boards be rateably distributed on the several Municipal Councils and District Boards and the other half debited to State Funds.

2. Correspondence ending with letter No. 287—C. L A. D. dated 5th April 1947, from the Comptroller to Government, submitting certain modified proposals for the recovery of audit charges from the Local Bodies in the State.

ORDER NO. L. 2667-85—L.B. 83-45-3, DATED BANGALORE, THE 14TH AUGUST 1947.

In his letter dated 5th April 1947 read above, the Comptroller reports that the procedure now in vogue for the recovery of one-half of the audit charges from the Local Bodies in the State as contemplated in the Government Order dated 28th March 1918 read above, calls for revision.

The arguments advanced by him for revising the existing mode of calculation are that (1) the enormous time and labour involved in collecting the necessary information from various sources could be minimised, (2) the consideration for levying only 50 per cent of the actual post-audit charges no longer exists in view of the fact that the finances of Local Bodies in recent years have steadily improved and that therefore they are in a position to bear the entire cost of audit and (3) the present method of calculation resorts to approximation. He has now evolved a simple and yet suitable method of levy of the audit charges and it is that the audit charges for any year should include only the direct charges which may be based on the average cost actually incurred during the previous three years. In other words, they include pay and travelling allowance of the auditors detailed for such work together with the proportionate pay of the Gazetted Officer in charge for the period occupied in doing review or inspection work plus his actual travelling allowance expenses to which may be added a small percentage of cost on account of the miscellaneous clerk's pay and audit office contingencies which may be computed at $2\frac{1}{2}$ per cent.

In the circumstances stated, Government are pleased to approve of the adoption of the modified procedure suggested by the Comptroller for the recovery of the audit charges from Local Bodies.

SYED ABDUL ALEEM, *Rev. Secy.*

DEVELOPMENT SECRETARIAT

Sanctions the Abolition of the Post of the Director of Engineering and Chemical Industries.

READ—

G.O. No. D. 7844-7910—I. & C. 601-43-1, dated 8th June 1944, sanctioning certain arrangements for the conduct of work in Industrial Concerns and directing that Mr. B. Viswanath, B.E., be posted as Director of Engineering and Chemical Industries.

2. G.O. No. D. 46-110—I. & C. 601-43-5, dated 3rd July 1944, transferring among other things the control of the Central Industrial Workshop from the Director of Engineering and Chemical Industries to the Director of Industries and Commerce.

3. G.O. No. D. 5921-35—I. & C. 175-43-26, dated 8th March 1945, sanctioning the conversion of the Government Industrial and Testing Laboratory into a joint-stock company under the name of "The Mysore Industrial and Testing Laboratory, Ltd."

4. Government Notifications Nos. 1004—C. B. 91-46-2, dated 3rd September 1946 and 1408—C. B. 91-46-2, dated 20th September 1946, sanctioning the grant of privilege leave to Mr. B. Viswanath, Director of Engineering and Chemical Industries and permitting Mr. M. S. Ramachandran, Convener, Board of Management of Industrial Concerns, to look after the routine duties connected with the Industrial Concerns under the former's charge.

5. G.O. No. D. 2670-5—I. & C. 167-46-3, dated 12th November 1946, appointing Mr. E. V. Ganapati Iyer, Director of Sandal Wood Oil Factories, as Chairman of :—

(1) The Mysore Chemicals and Fertilisers, Ltd., and
(2) The Mysore Kirloskar, Ltd.

6. G. O. No. D. 4138-41—I. & C. 129-46-6, dated 8th January 1947, directing that the charge of the Government Soap Factory be transferred to the Director of Industries and Commerce.

7. G.O. No. D. 5506-11—I. & C. 52-45-11, dated 5th March 1947, sanctioning the conversion of the Government Lac and Paint Works, Mysore, into a joint-stock company under the name of "Mysore Lac and Paint Works, Ltd."

1. G.O. No. D. 6846-50—I. & C. 48-46-11, dated 8th May 1947, directing that the charge of the Mysore Implement Factory, Hassan, be transferred to the Director of Industries and Commerce.

ORDER No.D. 856-935—I. & C. 74-47-2, DATED BANGALORE, THE 12TH AUGUST 1947.

In G.O. No. D. 7844-7910—I. & C. 601-43-1, dated 8th June 1944, read above, the post of the Director of Engineering and Chemical Industries was created and the late Mr. B. Viswanath, B.E., was appointed to the said post with the charge of the following Government Industrial Concerns:—

1. The Central Industrial Workshop,
2. The Government Soap Factory,
3. The Government Industrial and Testing Laboratory,
4. The Mysore Implements Factory,
5. The Government Lac and Paint Works,
6. The Government Dichromate Factory.

Since the demise of Mr. B. Viswanath in September 1946, the post of the Director of Engineering and Chemical Industries has not been filled up, but Mr. M. S. Ramachandran, Convenor, Board of Management of Industrial Concerns, has been placed in charge of the routine duties of the Director of Engineering and Chemical Industries in addition to his own duties.

Of the concerns under the control of the Director of Engineering and Chemical Industries, the Government Industrial and Testing Laboratory has since been converted into a joint-stock company, and it has also been ordered that the Government Lac and Paint works should be handed over to a joint-stock company formed for the purpose. Mr. E. V. Ganapati Iyer, Director of Sandal Wood Oil Factories, has been appointed Government Director and Chairman of the Mysore Chemicals and Fertilisers, Ltd., and the Mysore Kirloskar, Ltd. The remaining concerns except the Government Dichromate Factory, have been transferred to the control of the Director of Industries and Commerce.

Thus, almost all the Government owned and aided concerns which were under the control of the Director of Engineering and Chemical Industries have since been transferred to the charge of other officers, Government feel that there is no necessity to continue the post of the Director of Engineering and Chemical Industries. They are, therefore, pleased to direct that the post of the Director of Engineering and Chemical Industries be abolished and the charge of the Dichromate Factory be transferred to the control of the Director of Sandal Wood Oil Factories, who will also attend to any matters connected with the Government Lac and Paint Works, till this concern is finally transferred to the Company to be floated for the purpose.

C. E. NORONHA, *Dev. Secy.*

LAW SECRETARIAT

Sanctions the appointment of Probationers in the cadre of Income-tax Inspectors in the Department of Income-tax.

READ—

Government Order No. Fl. 5991-5993—I. T. 29-45-3, dated the 7th February 1947, fixing the sanctioned strength of Income-tax Inspectors at ten.
